LOCAL SERVICES SAVED

Lib Dem-led Taunton Town Council has stepped up to fund services that Somerset Council can no longer fulfil due to the significant cost increases from care services.

Taunton Town Council has agreed to save:

- ✓ 57 CCTV cameras in the town
- ✓ Taunton Visitor Centre
- ✓ Security of the historic Vivary Park

The Council has already taken on responsibility for most of the town's play parks and public toilets with plans to improve them.

By-election - Thursday 2nd May

About Rob

Rob has lived on the north of Taunton with his wife Pauline for over 20 years where his family grew up. He works in finance.

Rob wants to see more done to improve local green spaces, increase maintenance of the area, and to support businesses in the town.

Marcia Hill Backs Rob

Recently retired local councillor, Marcia Hill, has backed Rob to succeed her on Taunton Town Council.

Marcia, who represented the area for 31 years on three different councils, said: "Rob is a hard-worker and wants to make a difference. I would be proud to see him elected for this area as I know residents will have a councillor they can rely on and who will do his best for them."
