Looking After Our Area

Following new Fields in Trust protections won by the Lib Dem councillor team for our local parks, Judy and Simon will press for better maintenance, upgraded play and exercise equipment and to make sure that the money from the Orchard Grove development benefits Comeytrowe.

Orchard Grove

Judy and Simon will maintain pressure on developers to finish their promised facilities and open spaces on time to a high standard to benefit both new and existing residents of our area.

School Provision

Your Lib Dem councillor team has secured priority for siblings at Castle School. Judy and Simon will push to ensure local children don't lose out when it comes to other places at the school.

Simon Lester

Simon has lived in the area for nearly 20 years and as the father of young children, he wants Comeytrowe and Taunton to continue to be a place that they can thrive in and have pride in.

3 Priorities for Taunton:

To make our Garden Town status meaningful, ensuring all our green spaces and waterways are fit for everyone to enjoy.

Work towards making the town the best it can be, cooperating with partners to boost business growth, fill empty shops and add more leisure facilities.

Collaborate with your unitary councillors to reverse First Bus' closure of the bus station, tackle its route failures and make the Lib Dem night bus and £1 fare a success.
